Dear Doctor:

We are pleased to announce that the State of Connecticut’s publicly funded dental care programs, HUSKY A, HUSKY B, HUSKY C (Traditional Medicaid Title XIX Fee For Service) and HUSKY D (Medicaid For Low Income Adults—formerly State Administered General Assistance “SAGA”), now have been combined into one dental plan with a new name: the Connecticut Dental Health Partnership (CTDHP). CTDHP oversees the dental plan for the Department of Social Services (DSS) dental care programs which cover more than 600,000 residents in Connecticut. Participants in the program include the aged, blind and disabled, low income families and adults as well as the state sponsored insurance plan known as SCHip. The number of beneficiaries is approximately evenly split between children and adults.

DSS is the lead agency for the State of Connecticut which provides a broad range of services to the elderly, people with disabilities, families and individuals who need assistance in maintaining or achieving their full potential for self-direction, self-reliance and independent living. DSS administers over 90 legislatively authorized programs and operates on one-third of the state budget. DSS also administers the Medical Assistance Program which includes the Connecticut Dental Health Partnership.

BeneCare Dental Plans was selected by DSS, in 2008, as the Administrative Service Organization (ASO) to manage the Connecticut Dental Health Partnership for the State of Connecticut. BeneCare is a dental benefit management company that operates dental benefit programs for fully insured and self-insured clients in the Northeast and Mid-Atlantic regions under a wide array of State, County and Municipal government, multi-employer welfare fund and commercial employer sponsored plans.

Please review the material in this manual carefully. The manual is an addendum to the contract you have with the state of Connecticut Medical Assistance Program. Item 10 of the Provider Enrollment Agreement states in part: “To abide by the DSS’ Medical Assistance Program Provider Manual(s), as amended from time to time, as well as all bulletins, policy transmittals, notices and amendments that shall be communicated to the Provider, which shall be binding upon receipt unless otherwise noted”. Please pay particular attention to the section entitled Connecticut Dental Health Partnership Policy/Standards of Care which contains information on marketing guidelines as well as appointment scheduling guidelines and other important information. The CTDHP will be sharing a variety of programmatic updates and notices with you in the future, so please be on the look-out for communications from the CTDHP and place them in your manual which has been provided in a three ring binder for your convenience.
Thank you for your continued participation in the CTDHP programs and support of Connecticut’s neediest residents.

Sincerely,
Connecticut Dental Health Partnership

CTDHP Website

Providers may sign on to the CTDHP website at www.CTDHP.com. The website has both public and secure portals. The public portal gives access to general information resources and is open to partners, clients and providers. The secure portal is used to access protected health information regarding Prior Authorization status and Client History by date of service. Providers will need to use their NPI and Federal TIN to access the secure area of the website. To sign on to the secure site, please follow the steps below:

Navigate to www.CTDHP.com and click on the link on the left hand side of the Home Page for Provider Partners:

To sign into the secure portal, you will need your Billing National Provider Identifier (NPI) number as well as your Federal Tax ID number. Enter the information in the boxes provided.
Once you have successfully entered your identifying information, you will see the screen below populated with your personal information:

You may now use the links on the left side of the page to check client eligibility, treatment history and find additional participating providers or upload information to BeneCare.
Client Eligibility and Treatment History

To check Client Eligibility and Treatment History follow the steps outlined below:

Click on the link labeled Client Inquiry. You will then see the following screen:

![Image of Client Inquiry screen](image)

Enter the client’s Medicaid ID number and Date of Birth and click Submit.

![Image of entered details](image)

The screen will return the current day’s eligibility status as well as a listing of historical dental procedures on file.
Provider Referral Tool

Providers will also have access to a locator tool which can be used to find a general dentist or specialist in a provider or client's area. To access the tool, click on Provider Referrals on the left side of the page. The following screen will appear:

Fill in the Client ID, Client Date of Birth, Zip Code and preferences for specialty, distance, language and special needs and click submit. If a search returns no results, it may be necessary to increase the radius and/or refine the selection criteria for language or special needs. A sample result is shown below:
Department of Social Services Website

DSS contracts with HP Enterprises, Inc. to maintain the website for the Medical Assistance Program and it is called “interChange” or iC for short. The Connecticut interChange web portal is comprised of both a Public web site and a secure web site. The web portal is accessed at [www.ctdssmap.com](http://www.ctdssmap.com).

The public website does not require the user to have a password. The public access portal allows providers to view and download provider publications, current topics and provider enrollment and re-enrollment applications. This web site gives access to the secure web site log on.

The secure site gives provider specific information concerning claim processing, client eligibility verification, secure file uploads & downloads and other similar functions. You can also review your remittance advices and much more.

For assistance or questions concerning how to log into the secure section of the web portal, please contact HP Provider Relations at 800-842-8440.

Client Eligibility

Please note, it is important to verify client eligibility each time you see a client. Just like commercial insurance, a client may lose his or her eligibility for a number of reasons. It is important to retain the record number when you obtain the client’s eligibility status, as in very rare instances, the eligibility record may be inaccurate. This number will allow you to prove that you verified the client eligibility on the date of service and will allow you to be reimbursed for any covered services you performed.

There are a number of ways that you can check client eligibility status. Please refer to the Connecticut Medical Assistance Program Policy Manual, Chapter 4. Go to
